Excellent rental investment or weekend property in the center of Palma

Located just by the elegant shopping street of Jaime III and El Borne, this small apartment makes an ideal weekend property or a rental investment. The property has undergone complete refurbishment in 2014 and therefore it is in an excellent shape. It is located on the 3rd floor of a building with elevator. Even though it is in the center of Palma, it still has a very quiet location. The apartment has a living area of 36 m2 distributed into a living room with open plan kitchen, a separate bedroom and bathroom.

Additional information: Elevator and double glazing
