Newly built townhouse very close to the sea

This fabulous newly built townhouse is located just a few steps away from the Portixol sea front promenade. The building work has just been finished. The 72 m2 living area consists of a large living room with dining area, a modern kitchen, 2 spacious bedrooms and 2 bathrooms. The highlight of the property is the 80 m2 large roof terrace with its own private pool.

The townhouse is in a perfect location, close to Palma city and the airport. It is an area that has all kinds of services, with public transport, near the city center and with direct access to the highway.

Additional information: air conditioning, double glazed windows, pool, fine stone and parquet floors.
