Sea front property with wonderful panoramic views

This outstanding waterfront property has a great location and the views could not be better: just meters from the waters edge overlooking the open sea and the island of Illetas.

The apartment has 4 bedrooms with fitted wardrobes and 3 bathrooms. The master bedroom has a bathroom en suite as well as direct access to the main terrace. The living/dining area is bright and has a generous size. Here you find a fire place and direct access to two waterfront terraces with quite different views. The main balcony has been fitted with glass panels which can be closed to create a cozy inside-outside ambience on chillier days. This terrace has a built-in BBQ and chimney. The kitchen is modern and well equipped and connects to the side terrace. The community swimming pool area offers wonderful views and storage room. The property has direct access to the sea via stainless steel steps from the rocks, and also direct access to the popular Balneario Illetas Beach Restaurant, via a path from the back of the building.

Additional information: central heating, hot and cold A/C, parking space, lift.

Illetas is an ideal place for those who want to be close to the sea and to Palma. Located on the southwest coast of Mallorca, Illetas offers stunning views of the sea with crystal clear water. The royal golf course of Bendinat and the marina of Portals is located within few minutes drive.
