Newly renovated apartment in the heart of Santa Catalina

In the heart of Santa Catalina's vibrant city life, we find this charming three-bedroom gem with access to a nice roof terrace. One floor up with an attractive location, this apartment has been recently renovated and is awaiting its new owners. The apartment has an open floor plan between the kitchen and living room and has lovely high ceilings with exposed beams.

The bedrooms are located in a quiet position towards the patio. Upstairs there is the nice shared roof terrace which is basically shared between two neighbours. Here is a newly furnished small studio of 15 m2 which can be used as a guest room. This is an apartment that breathes a lot of Santa Catalina's original charm without sacrificing comfort and modern solutions.

Additional information: air conditioning, double glazing.
