### Penthouse with two wonderful terraces and views in the heart of Alcúdia

This is a bright duplex apartment in an older beautiful building with a nice renovated facade. We find it on a cozy street in Alcúdia, 30 seconds from the center of the village and Plaça de la Constitució.

The apartment has a large bright living room, kitchen and two bedrooms, one with an en-suite bathroom, and direct exit to one of the south-facing terraces. The views are unique: overlooking the rooftops of this well-preserved picturesque town in Northern Mallorca. The apartment's best feature is its two large terraces and the amazing views. From one terrace you reach the roof terrace of over 74 m2, with panoramic views of the entire village and both the Pollensa bay and the bay of Alcúdia. The mountain Sa Talaia is the only thing that prevents one from seeing directly over to Menorca.

Further information: Air conditioning, heating, double glazing.
