Renovation project close to Paseo Marítimo in Palma

With a great central location, we find this spacious apartment with sea view just a few steps from the popular oasis Palma Sport & Tennis Club. The location also offers short walking distance to the beautiful sea promenade in Palma, as well as to Santa Catalina, with its emblematic indoor market and a wide range of amazing restaurants and cafés.

This is a wonderful opportunity for those of you looking for a Spanish apartment to refurbish in your way, maybe keeping some of the original details. Let your creativity flow and re-arrange this apartment into your dream property. High ceilings, beautiful windows and wooden doors are some of the features that you might want to preserve. The apartment has a small balcony with laundry space, but could easily be updated, and turned into your favourite coffee spot.
