Stylish newly built townhouse in Son Espanyolet

This stylish newly built townhouse is located in Son Espanyolet, a very nice and upcoming area of Palma, close to Santa Catalina and to the shopping street Jaime III. The project was carried out by a renowned developer in Mallorca and the house is brand new, waiting for you to move in! The house is an example of stylish design, combining modern living with high quality materials, with the Scandinavian simple feel, and the classic Majorcan features. The façade goes in complete harmony with the architecture of the area.

The living area of 110 m2 includes 2 bedrooms with bathrooms en suite, a bright living room with open kitchen, plus a nice terrace and garden with pool, and also a roof terrace. The open and free areas give you the possibility to furnish and decorate your house as if painting a white canvas. Don't miss the opportunity to make this beautiful townhouse yours!

Additional information: air conditioning, heating, double glazing. Easy to rent or buy a parking space in the area.
