Charming penthouse in Establiments

This charming two floored penthouse is located just a short 10 minutes drive from Palma, in beautiful Establiments. The apartment is located in an older typical Majorcan building with only two neighbours, in a central location near the church in Establiments. The bus stop is very close to the dwelling and there are excellent connections to Palma. It is also possible to get into town by bike as Palma is very close.

The apartment is in need of some updating, such as improving the surfaces and installing new air conditioning. Here, however, you have every opportunity to transform the home into something out of the ordinary with simple means. The absolute highlight of this property is the private rooftop terrace, which has a perfect southwest location and an incredible view of Palma and its surroundings.

Additional information: Sea view, fireplace and private terrace.
