Large villa with garden and pool in Portol

This lovely restored classic house is situated in the center of the village of Portol. It is divided in two separate apartments, a first floor and a ground floor. The ground floor is recently refurbished with a lovely garden and salt water pool.

The plot is also two separate units and part of it could be used to build apartments, or houses. This is a perfect family house with easy maintenance and a perfect central location. You could keep the current setup or go back to making it one large house. There are in a total 6 bedrooms, 4 bathrooms and 4 livingrooms. The first floor has a lovely big terrace with lots of sunshine.

Additional information: air conditioning, fire place, salt water pool, heating, double glazing, osmosis, 2 garages with space for a total of 6 cars.
