Ref.:MF2194

Historic building in the heart of Calatrava

Fantastic city palace in Calatrava with approx. 700m2 distributed on different levels and a nice courtyard means that this building has an incredible potential to become a very special home in one of Palma's most prestigious areas. A complete renovation is necessary, which also gives the new owner all the opportunities to design the house exactly as you wish. A building with a long history waiting for its new owner.
