Bright apartment with sea views in Bonanova

The construction of this bright and spacious apartment, in an attractive building situated in the quiet, much sought-after residential area of La Bonanova, very close to the centre of Palma, started in April 2019 and is expected to be finalized in January 2020. The apartment will have a living area of 132 m2 and consist of 3 double bedrooms, 2 bathrooms, of which one is en-suite, a large living room with and integrated kitchen, characterized by a large glass front which opens up to a lovely terrace of about 12 m2 with a nice sea view. The terrace will be located on the side of the building. The building will also offer a community terrace and a pool area. There will be two apartments on the first floor. Both apartments are currently for sale.

Additional information: Air conditioning (H/C), double glazing, underfloor heating, fitted wardrobes, elevator, alarm system, storage room and parking space.
