Ref.:MF2256

Open plan apartment with high ceilings and beautiful details

This beautiful cityapartment is situated in a protected building designed by the famous mallorquin architect Guillermo Forteza. Its beautifully refurbished and is in a really good location in Palmas centre.

The apartment was refurbished in 2008 to an open plan solution making the living space bigger, opening the kitchen up, adding an island and connecting it to the big dining/living area. The apartment has 8 big restores windows 6 of them with balconies that can be reached from the kitchen, dining room and living room, guarantee optimal light all year round. The 101 m2 living area is well planned and been distributed in 2 spacious bedrooms, 2 bathrooms 1 is ensuit.

The apartment is equipped with both air conditioning and central heating and there is also a private storage for the apartment. The street where the apartment is located is quiet and it is a perfect home for those looking for a city apartment in good condition and central location.

Additional information: central heating, double glazing windows, air conditioning and private storage.
