### Charming finca with large pool in popular Establiments

This charming finca is located in Establiments, just 15 minutes by car from Palma. The unique home from the beginning of the turn of the century has been carefully renovated and many details such as exposed beams and beautiful stone floors have been preserved. The large home offers plenty of space for a large family and the separate guest house is perfect for visitors. It is an excellent choice for those who want to live in the country close to central Palma and many of the international schools on the island.

The living area of about 600 m2 consists of 7 bedrooms, 6 bathrooms, a spacious living room, TV room, an office and a guest studio with a separate entrance with one bedroom, a combined kitchen & living room and a bathroom. The kitchen is modern and offers plenty of space for large dinners and direct access to the pool. There are several covered and open terraces and in the well-kept and lush Mediterranean garden we find a boules court, barbecue and its own well. There is also a guest house with two double bedrooms and a shared bathroom. The orientation of the plot provides sun from morning to evening.

Additional information: Parking, central heating, double glazing, swimming pool.
