### Renovation dream project in Plaza de Toros

We find this renovation project 10 minutes from Plaza España in the heart of Palma. It just can't get more central than this. The penthouse has a living area of 87 m2 and consists of 3 bedrooms, 2 bathrooms, separate kitchen and a large living-dining room. There are 2 balconies, one is about 4.5 m2 in the living room that has sun all day and also a balcony in the kitchen which is 4 m2 m2 and a shared communal roof terrace. The property is ideal as an overnight apartment in Palma close to all amenities: metro, buses, shops, banks, restaurants, etc. The property is located on the fourth floor, in a building without an elevator.

Additional information: balcony, storage room.
