This large house is located in the upper part of Son Espanyolet with close proximity to schools, public transport, the golf courses in Son Vida and just a short drive from both central Palma and the airport.

The villa has a total living area of 215 m2 and includes a total of 5 terraces, 7 bedrooms and 4 bathrooms. The property is distributed over 3 levels. On the entrance level we find a large, bright living room with access to a terrace with a beautiful view, 4 bedrooms (one of which has a bathroom en-suite), a fully equipped kitchen, two complete bathrooms, laundry room, garage and a terrace with garden at the entrance to the house. One level down we find a separate apartment with a living room, kitchen, 3 bedrooms, a bathroom and access to another terrace with a garden.

At the top level, on the third floor, we find a large roof terrace with an incredible view of Palma. The house is in need of an renovation but has a lot of potential as it is possible to build another floor.
