Penthouse with large terrace and lift in the Old Town of Palma

On the top floor of a stunningly beautiful and completely restored older building near the Plaza de Olivar in central Palma we find this unique penthouse. The entire apartment has been renovated to a high standard and has underfloor heating, wooden floors and stone floors. The apartment has three bedrooms and two bathrooms, one of them en suite. From the living room and the dining room you reach the huge terrace (150 m2) facing southwest.

In the living room there is a fireplace and generous sitting areas to enjoy with friends and family. The entire apartment has a nice balance between a comfortable modern living space with underfloor heating and elevator, and a Mallorcan townhouse with beams and high ceilings. This property must be experienced!

Additional information: air conditioning, heating, double glazing, fireplace, elevator.
