Unique property with lush garden in Son Espanyolet

This is a rare opportunity to buy and build your dream home in the attractive area of Son Espanyolet. The existing house is full of charm but in need of refurbishment. Another option is to build a completely new house on the plot.

The size of the plot is 237 m2 and the possibility exists to build two townhouses, each with a private garden.

The garden is full of fruit trees and enjoys a nice south east orientation.

Don't miss the chance to visit this unique beauty.
