Big townhouse with a lot of charm in Son Espanyolet

Lovely townhouse with a lot of character located in a quiet street in Son Espanyolet. This spacious home has room for a big family and/or social gatherings.

The wooden floors and the quirky spiral stair case set the spirit of this artistic home as you enter this warm and cosy property. On the entrance floor we find three bedrooms, a bathroom, the kitchen and a small livingroom. A small patio in the back has room for a washing machine and an external staircase that takes you to the second floor.

On the second floor the huge livingroom spreads out and we also find another bedroom, a bathroom and a small terrace.

The master bedroom is found on the third floor and it has a nice bathroom en suite as well as a dressing room. On this level we find a big south facing terrace with an inviting sitting area as well as a storage room. A staircase from this terrace leads up to the roof top terrace. From here you can enjoy beautiful views of the neighbouring area, the mountains and the Bellver castle.

Additional information: AC, city gas, pre installation for heating, double glazed windows
