Newly built apartment with pool in Palma

This apartment, which is under construction, is located on the first floor of a property with only four apartments with lift and communal courtyard with swimming pool. The property is located in the increasingly sought-after and popular neighbourhood of Foners in Palma. Here you live close to both the centre of Palma and the charming Old Town, as well as within easy reach of the sea and the beach. The area has recently become very popular thanks to its excellent location, with the seafront and the lovely Portixol within walking distance.

The apartment offers a living area of 87 sqm and four balconies with a total area of 13 sqm. It has three bedrooms, two bathrooms, one of which is en-suite, and an open-plan layout that includes the kitchen, dining area and living room. Each bedroom has direct access to a balcony. With top quality finishes and amenities such as underfloor heating in the bathrooms, a fully equipped kitchen and access to the communal pool and patio, this home offers a comfortable and modern lifestyle.

This project is expected to be ready for occupation in spring 2026.
