Wonderful townhouse in picturesque location in Santa Catalina

Unique townhouse in a prime location in Santa Catalina. This townhouse is situated in the picturesque neighbourhood of En Jonquet, known for its cobbled streets and orange trees.

The spacious property was renovated a few years ago and is in excellent condition. On the ground floor, we find ample storage space with several wardrobes. This level also includes two bedrooms, a bathroom, a guest toilet, and a large, open, modern kitchen and living area. From the living room, you can access the partly covered patio, which features an outdoor shower with hot and cold water and a small plunge pool.

On the second floor, there are two more bedrooms, a bathroom, a charming kitchen with a fireplace, and a bright, sun-drenched living room. This floor also offers a terrace with direct access from the kitchen.

The third floor boasts another living room and a terrace with stunning views of the sea, the cathedral, and Palma's rooftops.

This property offers the dream of a traditional Mallorcan house, featuring exposed beams, generous ceiling heights, and beautifully crafted windows and doors — all without compromising on modern comfort.
