Exclusive penthouse with private pool in Bonanova

This exclusive penthouse is located in the quiet and sought-after residential area of Bonanova, where modern architecture meets thoughtful design and stunning sea views.

The home is spread over two floors, offering a living space of 90 m² and a total of 43 m² of private terraces. The lower level features two spacious bedrooms, both with en-suite bathrooms. The upper level consists of a sleek open-plan living room and kitchen, with access to a small private terrace as well as an impressive rooftop terrace with its own pool and breathtaking sea views.

The materials have been carefully selected to create a natural and timeless Mediterranean feel. The façade, made of thermally treated pine panels, not only gives the building its distinctive character but also serves as an adjustable sunshade. The panels can be electronically controlled to provide shade during the warm summer months.

The penthouse is finished to a high standard, featuring oak parquet flooring, terraces with IPE wood, double-glazed windows with wooden frames, and exterior blinds. The kitchen is fully equipped with Miele appliances, and the home has both underfloor heating and central air conditioning.

Two garage spaces and a storage room are included, and as a resident of the apartment complex, you also have access to a shared fitness area.

Additional information: air conditioning, underfloor heating, private pool, private rooftop terrace, private terrace, storage room, garage, shared gym.
