Luxury newly renovated apartment in Cala Major

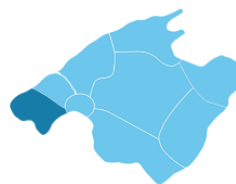

In Cala Major, just a few minutes from the beach, you will find this fully renovated apartment featuring modern design and carefully selected materials. The location offers walking distance to restaurants, cafés, and shops, while Palma's city center is only a short drive away.

The property comprises 75 m² and includes two elegant bedrooms, two stylish bathrooms (one en-suite), as well as an open-plan kitchen and living room with direct access to the terrace. The layout is designed for both comfort and functionality, with details such as underfloor heating throughout and newly installed air conditioning.

One of the apartment's most outstanding features is the private south-facing terrace of approximately 106 m². Here you will find ample space for a dining area, lounge, and outdoor kitchen with barbecue. A private entrance from the street further enhances the townhouse-like feel.

Large floor-to-ceiling windows flood the apartment with natural light and create a seamless transition between indoor and outdoor living.
