New project - Beautifully designed penthouse in Santa Catalina

A well-known team with good reputation in Palma and long experience in construction and new projects in Santa Catalina, is now introducing another top-class apartment on a nice spot, close to Palma Sport & Tennis Club, and to the market in Santa Catalina. Nothing but top quality in design, materials and layout. Inspired by the minimalist and easy modern living, they give form to this penthouse to be an oasis right in the city.

The smart floor plan with 217 m2 living area will be distributed in 3 bedrooms, 3 bathrooms, a large kitchen with dining room and open living room. All areas are generous, bright and spacious. The master bedroom has a walkin-closet and bathroom en suite. The penthouse enjoys a huge terrace, surrounding almost the whole apartment, with access from most of the rooms. It will be the perfect space to relax in the loungers or enjoy dinner with family and friends.

Additional information: air conditioning, heating, double glazing, 2 parking spaces.
