### Project of 7 quality designer apartments in Palma

This project that consist of 7 high quality apartments is being built in the area of Son Armadams in Palma. The location is surrounded by beautiful green areas and close to all amenities and the Palma Bay.

The aim with the project has been to capture as much of the natural light as possible through the large floor to ceiling windows and doors. The terraces allow the residents to enjoy inside outside living for most of the year due to the islands pleasant climate. The apartments have bright and spacious social areas that connect perfectly with the terraces. The materials will be of high quality such as interior floors of natural stone, Silestone countertops in the kitchen and kitchen appliances of Siemens or similar brand. There will be a nice communal swimming pool with sundeck and all apartments have at least on underground parking space included. There will be apartments with 2 and 3 bedrooms with living areas from 85 m2 to 144 m2.

Additional information: underfloor heating, air conditioning, underground parking, communal swimming pool, elevator, storage rooms.

For more information for each property see links below.
