Sea front apartment in San Agustín

This apartment is located in a privileged location right at the sea front in San Agustín. The property has a living area of 50 m² plus 14 m² of terraces. It consists of a living room with kitchen, a double bedroom, a single bedroom and a bathroom. From one side of the living room there are excellent sea views. With some updating the apartment can become very attractive. The 2 last pictures are renders that show an idea of how the apartment could look like after a renovation.

The building has a swimming pool and its own access to the sea. For those looking for a sea front property at an attractive price, this is a good option.

Additional information: terrace, community pool, elevator.
