Newly renovated penthouse in the center of Palma

A charming penthouse next to the pedestrian street of Calle Blanquerna. The area has enormous character and is located close to both the main shopping streets and some of the city's principal historic monuments, all with just a few minutes' walk.

The 55 m2 property was recently renovated and has been transformed into a high standard fresh and bright apartment with an open plan living. The apartment has 2 bedrooms, 1 bathroom and an open living area/ kitchen which is fully equipped with all the appliances (fridge/freezer, dishwasher and washing machine). From the entrance, you reach the living room which is directly adjoining to the shared roof terrace. Several authentic details have been preserved in the renovation, such as the exposed traditional Mallorquin wood beams and original windows.

Additional information: Heating and air conditioning

Palma is a beautiful city with a wide range of shopping, cafes and restaurants. Palma's main shopping district is nearby and a short walk takes you to the popular boardwalk that leads to Portixol, Santa Catalina and Club del Mar.
