Bright newly renovated penthouse with large terrace, close to the beach in Palmanova

This stunning bright, newly renovated penthouse is located in Palmanova close to the beach and only 15-20 minutes' drive to Palma. The apartment has terraces in three directions, and a beautiful open plan distribution over the living/dining room and kitchen. The apartment was completely renovated in 2015 with new kitchen, new bathroom, parquet flooring and new window sections in double glazing, three bedrooms and two bathrooms, one of them en suite. The large windows let in a lot of daylight, and the terraces invite you to enjoy the outside-life and the beautiful views. The price also includes a parkingplace in garage.

This is clearly a unique object with its free location, occupying the entire upper floor of a smaller building from the 60's with only four neighboring apartments. The surrounding area is green and lush, you find all amenities close by, and the beach it with in walking distance. Additional information: Air conditioning, double glazing, parking in garage.
