Completely renovated apartment in Molinar

This airy and bright apartment is only 200 meters' stroll from the Mediterranean Sea and Molinar's beach promenade. The property is about to be completed from a big renovation and will have a local touch of bright and light design with wooden floors and natural stone from Mallorca. The flat is in a building with only four apartments, and on the top floor we find a communal roof terrace in very nice condition with stunning sea views.

The entrance leads directly into the open living room and kitchen (the kitchen has a white interior design with appliances from Siemens). From the livingroom you reach the three bedrooms. The master bedroom is located separate with an en-suite bathroom and an exit to a small balcony of 2 m2. From the kitchen and the livingroom you also reach the terrace of about 9 m2, wonderful for barbecues and to enjoy the morning sun.

Additional information: Air conditioning, double glazing windows, private terrace, fitted kitchen.
