Penthouse with magic views in Molinar

This is a bright penthouse with a fantastic location, just 250 meters from the sandy beach of Portixol. At the top of a six-story building we find this gem. Directly to the right of the entrance you find one of the two bedrooms. This room has direct access to the 17 m2 large terrace with views over the mountains, sea and Palma city. Next to the bedroom is the bathroom and in front you find the kitchen and the laundry room. From the kitchen you reach the living room that has a lot of natural light and a stunning view of the sea and Palma bay in the south. From the living room you have access to a 3 m2 large balcony, as well with amazing views. Next to the living room there is a second bedroom, also south facing and with wonderful views.

In addition to the apartment's two private terraces there is also a communal roof terrace, where you may enjoy the stunning sea views. The apartment also has a storage room. This is a property that with some renovation can turn into a dream home!

Additional information: double glazing, storage room, elevator.
