Open plan duplex penthouse with private roof terrace in Palma

On a small side street in the centre of Palma, next to some of the main shopping streets of this beautiful Mediterranean city, we find this beautifully renovated penthouse.

Stepping through the door you are directly welcomed by the spacious open plan living room and kitchen. Modern meets traditional: there is a fully equipped stylish kitchen, white painted walls, in a tasteful combination with visible beams, traditional Spanish tiling and wooden shutters. One floor up you find the large bedroom and from there you access the charming terrace with generous space for lounging under the awning. A small oasis in the heart of the city.

Additional information: air conditioning.
