Ref.:MF1908

Renovated beautiful apartment with terrace and sea views in San Agustín

This lovely apartment has a great location in San Agustín overlooking the little port of Cala Nova, and within a short walk from the beach.

The property has been fully renovated with high quality materials and offers an open plan layout with large glass doors allowing a lot of natural light. From the balcony you can enjoy the wonderful sea views. The kitchen comes with the latest appliances, and the 2 bedrooms have bathroom en suite. The building offers a community pool as well as a roof top community terrace.

Additional information: air conditioning, underfloor heating, fire place, elevator, parking, community pool and community roof terrace.
