Rustic charm on best location in Palma's old town

This is a unique opportunity to become the owner of a property with historic charm. The space was originally used as a hen house in the historical building where it is located. The rustic walls, stone arches, wooden beams, and the antique stove top, are just a few examples of the maintained unique features that define this very special studio apartment.

It is a rustic space that needs some modernization, but could definitely become a genuine Mediterranean gem in the heart of Palma. Just around the corner you find the arabic baths, the cathedral, as well as the charming streets of Palma's old town.
