Top floor apartment in Cala Major with amazing views

This modern and bright apartment has recently been completely renovated and is located in the sought after area of Cala Major, very close to Palma. The most striking with this apartment is the amazing sea views it offers. Standing on the private balcony, with foldaway windows, it is as if you were standing right above the sea!

The apartment has a living area of 76m² and consists of an open living room with kitchen, 2 double bedrooms and a bathroom. The apartment has big windows and therefore offers a lot of natural sun light to brighten up the apartment. The building does not have its own garage but there is a private parking space in a garage nearby, which is included in the price. Behind the parking space you also have a small storage space. The community has a common storage room in the building as well, available to all the owners. With its private direct access to the sea, this is a perfect choice for somebody who loves the sea and wants to enjoy both the tranquility of Cala Major but at the same time the city life of Palma.

Additional information: Air conditioning, central heating, 2 elevators, oak parquet, built-in closets, fully furnished and 2 elevators in the building.
