Ref.:MF2111

Renovation object with lots of potential in Son Espanyolet

This house is located in the residential area of Son Espanyolet, at walking distance from the popular Santa Catalina market as well as Palma Tennis Club.

The existing property consists of an old house with one floor that can be converted into a townhouse with two floors. The house has a living area of 230 m2 and a plot of 283 m2 that includes a fantastic garden with lots of potential. This is a great opportunity to acquire a property in this sought after area. You can choose to renovate the existing building or remove the existing building and build a house according to your own taste. Mallorcaresidencia can help you with the whole construction or renovation work.

	Son Espanyolet		283 m2		no
	0		0		no
	230 m2 +  0 m2		530.000		no
