Bright apartment with large terrace near Palma Tennis Club

A stone's throw from the popular Palma Tennis Club, we find this bright gem. Here you live in a quiet area and just a short walk from central Santa Catalina and everything that it has to offer.

The apartment of 109 m2 has plenty of space, high ceilings and a large living room that previously consisted of two rooms. From the living room you have access to a small balcony facing east. The apartment's entrance leads into a nice hall that connects to the living room, a bathroom with shower and a small patio. After a corridor with a lot of closet space, you enter the kitchen where there is room for a dining area. From the kitchen you reach the beautiful terrace of about 30 m2. The terrace overlooks green courtyards and the roof tops of Pueblo Espanyol. On the terrace there is also a laundry room. The 2 bedrooms are located separately. One bedroom overlooks the large terrace and the other towards the patio. One of the bedrooms has an en-suite bathroom. The home is characterized by space, light and has lots of storage space.

Additional information: double glazing, air conditioning, private terrace.
