Charming renovated townhouses in Es Jonquet

This is a unique opportunity to purchase a renovated little townhouse in the protected area of Es Jonquet in Santa Catalina. The townhouses are for sale for prices ranging from 310.000 Euro to 340.0000 Euro. They have all undergone a complete renovation in 2020. While conserving the traditional fisherman house look on the outside, inside they have been tastefully modernized. Thanks to their southern orientation, they have a lot of natural light. Each house has a living area of 36 m2 consisting of a living/dining room with open kitchen, a bedroom and a bathroom. The kitchens are fully fitted. Additional features include underfloor heating, air conditioning, Siemens appliances, teak carpentry and traditional tiles.

Additional information: air conditioning, heating and double glazing windows.
