Townhouse with a lovely roof terrace in Son Espanyolet

This is a very nice and relatively newly built townhouse from 2020 located right next to the Palma Sport & Tennis Club in Son Espanyolet. The house is spread over 3 floors and has a lovely roof terrace.

On the entrance floor we find the kitchen and the living room which has an open floor plan. Downstairs there is a large bedroom with bathroom and laundry room. On the first floor we find two bedrooms and a bathroom. At the top there is a wonderful roof terrace. Here you have a view of the rooftops of Son Espanyolet and sun all day.

Additional information: A/C in all rooms and underfloor heating in the bathrooms.
