Ref.:MF2601

Ground floor apartment in Santa Catalina

This nice ground floor apartment is located on a quiet street in the centre of the vibrant Santa Catalina area. The apartment is part of a building which was renovated in 2019. There are only a few other neighbours in the building.

The property has a living area of 80 m² with a terrace of 7 m². The living area consists of an open plan kitchen with large dining area, a separate living room, two bedrooms and one bathroom. The apartment can be accessed via separate entrances from two different streets. The bedrooms have built-in closets. Both bedrooms have direct access to the terrace.

Additional information: Air conditioning, lift, entrance from two streets, renovated 2019.

	Santa Catalina - Tennis		no		no
