Charming flat in the old town of Palma

In the best location in the middle of one of the best squares of the old town of Palma we find this gem. The apartment is located on the fourth floor of a well-maintained building without a lift. With a perfect distribution, the square metres of the apartment are used to the maximum.

Facing the beautiful square, the kitchen and living room are located in an open plan and there is access to two French balconies with morning sun. The two bedrooms are located at the rear of the apartment, both with windows with beautiful views of Palma.

The property has a generous ceiling height with exposed beams and a high dose of charm.

A renovation would lift the apartment to new heights but it can also be moved into just as it is.
