**A stylish apartment with private terrace and communal pool and garden next to the beach at Cala Mesquida**

This modern, Mediterranean style residential complex is located by Cala Mesquida and has direct access to the beach (200 m walk). This is a one building-complex with spacious three bedroom apartments, where you can enjoy the fabulous sea views and the spectacular blend of blue and turquoise tones of the crystalline waters.

This exclusive development has a communal pool and gardens for the owners to enjoy. Each apartment includes an outdoor parking space within the complex.
It is an exclusive complex with just 17 apartments, all with large terraces, three bedrooms and two bathrooms.
The 109 m2 apartments on the first floor have a nice private terrace of 13 m2 with beautiful views. All the apartments have a spacious living-dining room, open plan kitchen with a breakfast bar, two bathrooms, one of of them en suite, and a utility room. The apartments have fitted kitchens equipped with oven, vitroceramic hob and extractor hood, bathrooms with exquisite tiles and top-quality fixtures and fittings. For more information about the other properties please see:
MFP052A, stylish apartment with private garden and communal pool.
MFP052C, stylish penthouses with solarium terraces, communal pool and garden.
The project has been developed by an expert team with over 60 years of building experience in Spain. The beautiful apartments are built according to strict quality standards and will have soundproofing and thermal insulation to guarantee that you can relax and enjoy your new home.
Additional information: double glazing, heating, air conditioning, exterior parking, communal swimming pool and garden.
