Luxury apartment with private garden and pool in Cala Major

Following the high demand from our clients of luxury properties in the area we are proud to present a new exclusive project in Cala Major. There will be only 7 apartments in total. The main features of these luxury apartments will be their extremely luxury design, their beautiful views and their spacious layout. The project is carried out by a well known developer and is designed by the reputable and award winning architect studio Gras Architects.

The apartments will have very high standards in design and materials. The design is modern with large windows, spacious living room with open kitchen and large terraces. Each apartment comes with its own private pool and an underground parking spaces and storage. There will be two ground floor flats, one on the first floor ([MFP063B](#)) and one on the second floor. In addition there will be three spacious penthouses ([MFP063A](#)), each with a private swimming pool on the roof. The ground floor apartments will have a big garden area with a swimming pool.

On the ground floor, to the left in the building, we find this spacious apartment with a living area of 276 m2 and a large private garden and terrace of 133 m2 with pool. The property is divided into 4 bedrooms, 3 bathrooms, a large living room with an open plan kitchen and a garage space.

Additional information: Parking, heating, pool, air conditioning, private terrace, storage.
