Contemporary Mediterranean garden apartment with private pool in Bonanova

This project is under construction in the quiet residential area of Bonanova and just a stone's throw away from Palma. The eye-catching and contemporary architecture of two buildings ensures privacy as well as creating a constantly changing play of light and shadow within each home. The project consists of two buildings (East and West) and consist of a total of 12 homes, 6 dwellings in each building. The buildings interact with their surroundings, offering a high quality living experience with low environmental impact. The 12 residences all offer private swimming pools and allows you to choose between having your own secluded garden or an amazing rooftop terrace with panoramic views over Palma bay, Cala Major and Illetas. All the residences have beautiful views, either over the gardens or over the bay from their private terrace and pool.

The East building consist of 4 apartments and 2 large duplex penthouses. The West building consist of 6 duplex apartments, 3 of them with garden and private swimming pool and 3 duplex penthouses with roof top terrace and pool.

A special emphasis was placed on the chosen materials, such as natural and local materials emphasizing the Mediterranean essence. The design approach includes materials of noble materials such as Mallorcan cement tiles, a custom terrazzo flooring, oak floors and doors. The kitchen is fully equipped with appliances from Miele or similar brand. The façade is without doubt the highlight of the buildings, made of a framework of thermally treated pine wood panels that create fascinating shadows within the residences and can also be used as pergolas opened electronically to give shadow during the warm summers.

The prices range from 760 000 Euros to 2 575 000 Euros and range from 84 m2 to 177 m2 in size.

This is beautiful, luminous duplex apartment has a living area of 99 m2 with private garden located in the West building. You enter the apartment from the ground floor and enter directly into the large open kitchen and living and dining room with a guest bathroom. This room opens up to the private terrace with pool and garden through large sliding glass doors. From the livingroom you access the first floor via a staircase. On the first floor you find the 3 bedrooms, of which 2 are double bedrooms. The master bedroom has a walk in closet and bathroom en-suite. On this level we also find the third bathroom and a laundry room. There is 1 garage space included in the apartment and
