It is an excellent choice for those who want to live in the countryside, be close to the centre of Palma and/ or near the international schools. The house is distributed over two floors and consists of a double garage, spacious diningroom area that leads you out to your very own private oasis. The gardens centerpiece is a 30 sqm pool and the outdoor area has plenty of space for hosting the best dinnerparties with family and friends. The upstairs terrace is over 100 sqm where many summer night evenings can be enjoyed together. This is a home that reaches a new level of everyday luxury.
